

## Blogging is here!

Hey, just because I'm part techie geek and have wanted to tinker with blogging. Open to all registered folks ... keep it clean, keep it more or less within the bounds of OldTools etiquette, BUT .. anything is fair game topic-wise ... of course, the admins can kill off anything that we deem out of hand... hey, if you can't be in the shop, here's another toy to play with...

Catch.. ya gotta be registered.....
